PRESS RELEASE

STEVEN LABEL IMPROVES WEB-SITE

For Release on or after October 23, 2009

Santa Fe Springs, CA

Steven Label announces a new, improved web-site that is up and running, as of this posting. The new site enhances the previous one which customer have long proclaimed to be an industry benchmark. Through a secure, password protected portal, customers can access a whole spectrum of information including: order status, shipping and tracking information, pricing, order history and product specifications. Additionally, expediting, and proofing are available 24/7 on the highly efficient, attractive site, making life easier for buyers of Steven Label parts.

Steven Label has been manufacturing labels for over fifty years. With factories in the U.S. and Mexico, the company has silk screen, flexo, digital, off-set and hot stamp printing capabilities. ISO certified and FDA approved, Steven Label produces overlays and nameplates, bar-coded and variable data labels, insulators and shields, point-of-sale, thermal transfer, domed and UL/CSA labels.
