## PRESS RELEASE

### **STEVEN LABEL EXHIBITS AT MD&M**

*For Release on or after February 1, 2010*

Santa Fe Springs, CA

Steven Label will be exhibiting, in February, at the Medical Design and Manufacturing West Show (MD&M) in Anaheim. Nearly 20,000 medical design and manufacturing professionals attend the exhibit. Steven Label has been serving the medical industry for upwards of fifty years, printing parts for devices and disposables. The company is especially qualified to work with engineers and scientists in the development of new and unique applications, including bio-sensors. Examples of the company's processes and samples of products will be on display.

Steven Label has been manufacturing labels for over fifty years. With factories in the U.S. and Mexico, the company has silk screen, flexo, digital, off-set and hot stamp printing capabilities. ISO certified and FDA approved, Steven Label produces overlays and nameplates, bar-coded and variable data labels, insulators and shields, point-of-sale, thermal transfer, domed and UL/CSA labels.
