PRESS RELEASE

STEVEN LABEL OPENS NEW FACTORY

For Release on or after July 21, 2009

Santa Fe Springs, CA

Steven Label announces the opening of a new factory. Located in Santa Fe Springs, California, the new facility is across the street from the company's headquarters. It is in the same area where Steven Label operates silk-screen, flexo and membrane switch plants. The new facility produces roll labels and primarily services the medical and consumer electronics industries.

Steven Label has been manufacturing labels for over fifty years. With factories in the U.S. and Mexico, the company has silk screen, flexo, digital, off-set and hot stamp printing capabilities. ISO certified and FDA approved, Steven Label produces overlays and nameplates, bar-coded and variable data labels, insulators and shields, point-of-sale, thermal transfer, domed and UL/CSA labels.
